We have just added a new feature to our Premier Services called *Quick Profile*.

You can get a Property Profile in just **one click**.

In the **Quick Profile** box enter your Subject Property Address (or Owner or APN Number) and click **Search**. You will be presented with a Full Property Profile which can be Viewed, E-mailed or Printed.

If you still want the regular Property Profiles, you can get them using the Products menu.

For more information or to register for Premier Services, call me today.
