

With the **TitleNow** App from **Chicago Title**, You Can Get Property Profile Information on Your **BlackBerry®**, **Android**, **iPhone** or **iPad**!

TitleNow

By entering a property address into your smart phone, Chicago Title can provide real-time access to valuable property information!

- Search by Property Address.
- Search by Assessors Parcel Number (APN).
- Search by Property Owner.
- Search by nearby address (Requires a Global Positioning System - GPS).
- Access your last 25 profiles.
- Interactively Contact your sales representative by phone or e-mail.

To get it, simply go to your smart device's App Store and download the **Chicago TitleNow** app. Available for the iPhone and iPad at the App Store, for the Android phone at the Android Marketplace and for the BlackBerry® at BlackBerry App World.

Quickly provide your customers with fast, accurate property information from Chicago Title! It could just be the deciding factor to a sale. Call us today to find out more about any of our products or services.

Chicago Title
It's Your Choice!

After downloading the app,
log on using your Chicago Title
Premier Services Account info.
