

At Chicago Title Outdated Farms Are a Thing of the Past!

www.ActiveFarmCT.com

Chicago Title is proud to introduce the "Active Farm", keeping you current on what's going on in your farm area. In today's busy real estate market, farms are constantly needing to be updated, and with Chicago Title's Active Farm, you'll never have to think about it again! Twice a month we update and notify you of any changes in ownership on select farms so

you can be the first to welcome new homeowners to the neighborhood. In addition, all Walking and Polygon farms created in the Walking Farm App, are automatically loaded to your Active Farm account, and when you initiate your farms update with a Check of a box, you never have to think about updating again! This superior technology makes the Chicago Title Walking Farm the most advanced walking farm app in the industry.

With Chicago Title's Active Farm you can purchase NOD's, NOS's, Phone Numbers, Email Addresses, Marriages, Births, Deaths and Divorces. Keeping you Actively informed on what is happening.

With Active Farm you can download your farm in some of the most common formats as well as create labels and reports.
