> ABOUT CHICAGO TITLE ACTIVE FARM

In today's dynamic real estate market, farms require constant updates, and with Chicago Title's Active Farm, this becomes effortless. Receive bi-monthly updates on ownership changes for selected farms, ensuring you're always informed and ready to welcome new homeowners to the neighborhood! Gain valuable insights with comprehensive grading and statistics for each farm, enabling you to pinpoint the best areas to focus on. Chicago Title's Active Farm represents the pinnacle of advanced farming technology in the industry.

Create your own farms, order from our Customer Service or create on our Walking Farm App.

Quickly view farm stats, graphs and important activity in every farm.

Use micro filters to instantly create targeted lead lists to use for your marketing.

Premium services are available for email campaigns, merge letters, phones, emails, probate, foreclosure, equity, life events and more.
