About the App

The Chicago Title Now App is a free mobile application that provides real-time National Property Profiles, National Owners Search, and Property Information. Users can utilize the app to access property details such as property characteristics, sales comparables, legal documents, site and mail addresses, transaction history, and area sales analysis. Our app provides a user-friendly interface for easy navigation and efficient access to property-related information.

What's New?

The all-new app has a cleaner and smoother user experience. We have also implemented enhancements and resolved several known issues within the app.

Highlights in the New App.

- New Bottom Quick Access Menu
- Map Dot Location Navigation Fast Response
- New Nationwide Owner Name Search
- More Dynamic Address Results
- Wildcard (Use %) on Owners Name Search
- New Enhanced Options Menu
- New Enhanced Contact Us Details
